MUN (Y9-Y12)

Also known as Model UN or MUN, is an extra-curricular activity in which students typically role-play delegates to the United Nations and simulate UN committees. We'll try to use an uncomplicated version this light-hearted, classic fantasy roleplaying game, focussing on fun, action and imagination. The students get the opportunity to develop story lines and work on each other's projects. The club ends each week watching what has been filmed to discuss the objectives and decide what worked and didn't work. Students learn to critique their work together and develop a professional knowledge of what it takes to film a project.
